

Summer Wellness Clinics

Start the school year healthy with comprehensive care for your child.

Primary care to support your child's health all year long — including well-child visits, immunizations, vision and hearing screenings, sports physicals, and more.

Multiple clinic dates this summer (see reverse) hosted at CMSD schools across the district.

Services Offered

- Annual well-child visit
- Immunizations & vaccine catch-up
- Vision & hearing screenings
- Care for chronic conditions
- Sports physicals
- Work permit physicals

What to Complete

- Completed consent form (signed)
- Completed OHSAA form (pages 1 and 2, signed by parent/guardian) only needed for sports physicals

Access electronic consent form here

How It Works

1. Complete the consent form

Sign the MetroHealth School Health Program consent form (front + back). Use the included paper form or scan the QR code to complete it digitally. This form enrolls your student and remains valid while they attend a CMSD school.

2. If your child needs a sports physical, complete the OHSAA form

Fill out pages 1 and 2 and have them signed by a parent/guardian.

3. Submit your forms

Return completed forms to your school's Athletic Director so the School Health team can pre-register your student for clinic day.

4. Visit the clinic

The School Health Program provides comprehensive care and will bill private insurance or Medicaid when available. If you do not have insurance, our team can help connect your family to coverage and resources.

Date	School	Address	Time
6/1/2026	Glenville High School	650 E 113th St, Cleveland, OH 44108	8 a.m. - 3:30 p.m.
